

## **Terms of Use**

Please read the terms of use carefully before using this site, they apply immediately on accessing the site. If you do not accept the terms of use, please do not use the site.

This website is owned and operated by King's Thrombosis Centre, King's College Hospital NHS Foundation Trust, London, UK. These terms set forth the terms and conditions under which you may use the website and services. This website offers visitors information and resources pertaining to prevention of venous thromboembolism in hospitalised patients. By accessing or using the website of our service, you approve that you have read, understood, and agree to be bound by these Terms.

## **Website use**

Users are entitled to view and use the information contained within this website provided that it is for information purposes only and not for reproduction on any other website or for commercial gain.

This website is intended for health care professionals in the UK in relation to health care activities within the UK.

Any links to the website must be notified to and approved by King's Thrombosis Centre before creation. No part of the website may be copied, stored or transmitted in any form or by any means to a third party without permission from King's Thrombosis Centre.

The names and logos of The VTE Network, The VTE Exemplar Centres Network, The VTE Specialists Network and King's Thrombosis Centre may not be used or reproduced without prior consent.

The Service and all materials therein or transferred thereby, including, without limitation, software, images, text, graphics, logos, patents, trademarks, service marks, copyrights, photographs, audio, videos, music and all Intellectual Property Rights related thereto, are the exclusive property of King's Thrombosis Centre. Except as explicitly provided herein, nothing in these Terms shall be deemed to create a license in or under any such Intellectual Property Rights, and you agree not to sell, license, rent, modify, distribute, copy, reproduce, transmit, publicly display, publicly perform, publish, adapt, edit or create derivative works thereof.

## **Disclaimer**

The website is intended to provide general information only and is not intended to provide personal advice or as a substitute for advice about a specific situation. Users should seek appropriate advice before taking or refraining from taking any action in response to information contained on this website.

## **Liability**

Use of the website is at the user's own risk. In no event will King's Thrombosis Centre, King's College Hospital NHS Foundation Trust, The VTE Exemplar Centres Network or the VTE Specialists Network be liable for losses, damages and causes of action, either in contract, tort (including, but not limited to, negligence) or otherwise arising from use of this site.

These terms and conditions and use of the website shall be governed by the laws of England and Wales and all claims, disputes or disagreements deriving from the interpretation, performance or any related use of this website or these terms and conditions shall be submitted to the exclusive jurisdiction of the English courts.

### **Warranty and indemnity**

The user warrants to King's Thrombosis Centre that it will not use the website, the material or any part thereof for any purpose that contravenes any applicable law or regulation, or in a manner that will infringe the intellectual property rights of third parties, or violate the privacy, publicity or other personal rights of others or in any defamatory, obscene, threatening or hateful manner.

The user shall indemnify King's Thrombosis Centre, its employees and agents against all claims, liability, losses, damages and expenses arising out of or incurred as a result of any claims made, or brought against King's Thrombosis Centre, its employees and agents, as a result of the use by the user of the website, the material or any part thereof.

King's Thrombosis Centre does not warrant that this website will be uninterrupted or error-free, that defects will be corrected, or that the site or the web server are virus-free. King's Thrombosis Centre does not warrant or make any representations regarding the use or the results of the use of the materials in this site in terms of their correctness, accuracy, reliability or otherwise.

### **Third party websites**

This website contains links to websites operated by parties other than King's Thrombosis Centre. These links are provided for the user's convenience only. King's Thrombosis Centre does not control such websites and its inclusion of links does not imply any endorsement of the material contained on third party websites, or any association with their operators.
